## January 2024

| Telos Part Number | Description | List Price | Warranty |
|---|---|---|---|
| ACA-INA | Initial Network Assessment using Telos ACA | $ 500,000.00 | |
| ACA-MMS | ACA Main Monthly Subscription - (Up to 100M Daily Lines of Code) | $ 650,000.00 | |
| ACA-TIR | Threat Intelligence Report - Network Assessment Findings and Recommendations using Telos ACA | $ 200,000.00 | |
| AMHS-HS-ML-01 | AMHS Medium/Large Hardware Suite - Hardware suite certified to run Automated Message Handling System, system is preconfigured, staged and tested. | $ 26,100.00 | 1 Year |
| AMHS-HS-S-01 | AMHS Small Hardware Suite - Hardware suite certified to run Automated Message Handling System, system is preconfigured, staged and tested. | $ 22,850.00 | 1 Year |
| AMHS-ITS-L-01 | Telos AMHS ITS Client Large System for up to 1,000 user accounts | $ 527,000.00 | 1 Year |
| AMHS-ITS-M-01 | Telos AMHS ITS Client Medium System for up to 500 user accounts | $ 278,000.00 | 1 Year |
| AMHS-ITS-MT-L-01 | Maintenance for Telos AMHS ITS Client Large System for up to 1,000 user accounts | $ 83,500.00 | N/A |
| AMHS-ITS-MT-M-01 | Maintenance for Telos AMHS ITS Client Medium System for up to 500 user accounts | $ 81,000.00 | N/A |
| AMHS-ITS-MT-R-02 | Maintenance for Telos AMHS ITS Client Regional Node, license defined user accounts | $ 233,500.00 | N/A |
| AMHS-ITS-MT-S-01 | Maintenance for Telos AMHS ITS Client Small System for up to 100 user accounts | $ 76,500.00 | N/A |
| AMHS-ITS-R-02 | Telos AMHS ITS Client Regional Node, license defined user accounts | $ 2,840,000.00 | 1 Year |
| AMHS-ITS-S-01 | Telos AMHS ITS Client Small System for up to 100 user accounts | $ 100,000.00 | 1 Year |
| AMHS-LAB-01 | AMHS Lab software suite to support up to 20 users; to be used in a laboratory environment only and cannot be used for operational purposes, laboratory use includes such activities as testing, product evaluation, training, troubleshooting and problem identification, and replication of problems for study. | $ 42,250.00 | 1 Year |
| AMHS-LAB-DA-01 | AMHS Distributed Architecture Lab Upgrade – Software suite to support up to 20 users with the ability to deploy on multiple servers. To be used in a laboratory environment only and cannot be used for operational purposes; laboratory use includes such activities as testing, product evaluation, training, troubleshooting, problem identification and replications of problems for study. The AMHS Distributed Architecture lab upgrade must be purchased in conjunction with AMHS-LAB-01 or an AMHS lab must have been previously purchased; please include procurement information if the latter is the case | $ 50,650.00 | 1 Year |
| AMHS-LAF-01 | AMHS Large Site Automatic Failover - Software Suite certified to support Automatic Fail-Over for an AMHS supporting approximately 1000 users. | $ 28,550.00 | 1 Year |
| AMHS-LGY-01 | AMHS Legacy Interface - Software Suite to support a Certified Legacy Interface into AUTODIN or DSSCS. | $ 20,105.00 | 1 Year |
| AMHS-MT-CRNM-S-01 | Regional Node (Consolidated) Maintenance – Small | $ 510,000.00 | 1 Year |
| AMHS-MT-L-01 | AMHS Large Site Maintenance - Includes product upgrades, telephone help desk service, telephonic system engineering support and two site visits, travel not included. | $ 70,500.00 | N/A |
| AMHS-MT-LAB-01 | AMHS Lab Maintenance (without site visits) – Includes product upgrades, telephone help desk service and telephonic system engineering support. | $ 41,700.00 | 1 Year |
| AMHS-MT-LAB-02 | AMHS Lab Maintenance (with site visits) –Includes product upgrades, telephone help desk service, telephonic system engineering support and two site visits (travel expenses not included) | $ 23,700.00 | 1 Year |
| AMHS-MT-M-01 | AMHS Medium Site Maintenance - Includes product upgrades, telephone help desk service, telephonic system engineering support and two site visits, travel not included. | $ 66,750.00 | 1 Year |
| AMHS-MT-RI-L-01 | AMHS Large Site Re-Instatement Fee - Monthly re-instatement fee to cover any month(s) without continuous coverage for AMHS maintenance. | $ 11,750.00 | 1 Year |
| AMHS-MT-RI-M-01 | AMHS Medium Site Re-Instatement Fee -Monthly re-instatement fee to cover any month(s) without continuous coverage for AMHS maintenance. | $ 11,100.00 | 1 Year |
| AMHS-MT-RI-RMN-01 | AMHS Regional Messaging Node Re-Instatement Fee – Monthly re-instatement fee to cover any month(s) without continuous coverage for AMHS maintenance. | $ 33,700.00 | 1 Year |
| AMHS-MT-RI-S-01 | AMHS Small Site Re-Instatement Fee - Monthly re-instatement fee to cover any month(s) without continuous coverage for AMHS maintenance. | $ 10,550.00 | 1 Year |
| AMHS-MT-RMN-01 | AMHS Regional Messaging Node Maintenance - Includes product upgrades, developer and telephone help desk service, telephonic system engineering support and four site visits, travel not included. | $ 202,200.00 | N/A |
| AMHS-MT-S-01 | AMHS Small Site Maintenance - Includes product upgrades, telephone help desk service, telephonic system engineering support and two site visits, travel not included. | $ 63,200.00 | N/A |
| AMHS-MT-XTMC-01 | Xacta Tactical Messaging Maintenance: Includes product upgrades, telephone help desk service and telephonic system engineering support | $ 8,820.00 | N/A |

# Telos U.S. Commercial Pricelist
## (International Prices Vary)
## January 2024

| Telos Part Number | Description | List Price | Warranty |
|---|---|---|---|
| AMHS-RMN-02 | AMHS Regional Messaging Node 2 (Microsoft GFE) Regional Messaging Node provides classified and unclassified DMS and Legacy organizational messaging support for a defined command / organization (i.e. MACOM or MAJCOM) or a defined area of operations that the Service or command supports. Includes certified failover support and may be hosted on multiple servers at the host location as the messaging load dictates. CPXP, cipher server, T2CSS and hardware must be procured separately. | $ 2,450,000.00 | 1 Year |
| AMHS-SAT-01 | AMHS System Admin Training - 4 Day System Administrator Training. | $ 3,840.00 | 1 Year |
| AMHS-SITE-DA-UPG-01 | AMHS Distributed Architecture Site Upgrade –Software suite upgrade to support users with the ability to deploy on multiple servers. The AMHS Distributed Architecture Site Upgrade must be purchased in conjunction with AMHS-SS-S-01, AMHS-SS-M-01, AMHS-SS-L-01 or an AMHS site license must have been previously purchased; please include procurement information if the latter is the case. | $ 50,650.00 | 1 Year |
| AMHS-SMAF-01 | AMHS Small and Medium Site Automatic Failover - Software Suite certified to support Automatic Fail-Over for an AMHS supporting approximately 100-500 users. | $ 15,600.00 | 1 Year |
| AMHS-SS-L-01 | AMHS Large Software Suite - Software suite to support up to 1000 users. | $ 445,000.00 | 1 Year |
| AMHS-SS-M-01 | AMHS Medium Software Suite - Software suite to support up to 500 users. | $ 229,500.00 | 1 Year |
| AMHS-SS-S-01 | AMHS Small Software Suite - Software suite to support up to 100 users. | $ 83,150.00 | 1 Year |
| AMHS-UAT-01 | AMHS User Training - 4 Hour User Training | $ 780.00 | 1 Year |
| AMHS-UP-100 | Additional 100 AMHS User Pack - Additional user licenses to support customers that have purchased or already operate AMHS. | $ 30,000.00 | 1 Year |
| AMHS-UP-250 | Additional 250 AMHS User Pack - Additional user licenses to support customers that have purchased or already operate AMHS. | $ 75,000.00 | 1 Year |
| AMHS-XMTC-AF-01 | Xacta Tactical Messaging Capability Automatic Failover | $ 15,500.00 | 1 Year |
| AMHS-XTMC-01 | The Xacta Tactical Messaging Capability (XTMC):  This capability serves as a tactical extension to an existing Xacta Automated Message Handling System (all users must be covered by a previously purchased Xacta AMHS license).  XTMC includes the Defense Message System | $ 52,500.00 | 1 Year |
| AMHS-XTMC-LAB-01 | Xacta Tactical Messaging Capability Lab – Lab software suite to support Xacta Tactical Messaging Capability; to be used in a laboratory environment only and cannot be used for operational purposes. Laboratory use includes such activities as testing, product evaluation, training, troubleshooting, problem identification and replication of problems for study. | $ 26,500.00 | 1 Year |
| ASMT-CDR | Cloud Design Review - Assessment of proposed cloud architecture. Provide advisory on cloud design, migration approach and security implementation, focusing on areas of optimization, cloud best-practices, cost savings and third party offerings. | $ 8,750.00 | N/A |
| ASMT-CMMCSA-L1 | CMMC Security Advisory - L1 - Identifies gaps between the organization's environment and the 17 required controls from FAR.52.204-21.  CMMC Level 1 is the foundational level. | $ 7,500.00 | N/A |
| ASMT-CMMCSA-L2 | CMMC Security Advisory - L2 - Identifies gaps between the organization's environment and the 110 required controls from NIST 800-171.   Level 2 is for organizations that handle CUI data. | $ 21,250.00 | N/A |
| ASMT-CMMCSA-L3 | CMMC Security Advisory - L3 - Identifies any gaps between the organization's environment and the 110 required controls from NIST 800-171 and a subset of NIST 800-172 controls.  CMMC Level 3 is for organizations that work with controlled unclassified information on critical systems. | $ 30,000.00 | N/A |
| ASMT-CRA | Cloud Readiness Assessment  - Initial assessment of on-premises architecture, current applications and evaluation of each component for lift and shift, refactoring, or re-engineering. | $ 13,750.00 | N/A |
| ASMT-CSA-LG | Cloud Security Assessment - Large - Preliminary security assessment of IaaS, PaaS or SaaS with identified security failings.   Compliance discussed with the customer for a base control review to include review of current controls, known deficiencies, implementation of controls, suggested controls and configurations.  Security assessed at NIST 800-53 or equivalence – approximately 300-400 controls. | $ 55,000.00 | N/A |
| ASMT-CSA-MD | Cloud Security Assessment - Medium - Preliminary security assessment of IaaS, PaaS or SaaS with identified security failings.   Compliance discussed with the customer for a base control review to include review of current controls, known deficiencies, implementation of controls, suggested controls and configurations.  Security assessed at NIST 800-171 or equivalence – approximately 100-150 controls | $ 21,250.00 | N/A |

| Telos Part Number | Description | List Price | Warranty |
|---|---|---|---|
| ASMT-CSA-SM | Cloud Security Assessment - Small - Preliminary security assessment of IaaS, PaaS or SaaS with identified security failings.  Compliance discussed with the customer for a base control review to include review of current controls, known deficiencies, implementation of controls, suggested controls and configurations.  Security assessed to "best practices" approximately 35-50 controls. | $ 10,000.00 | N/A |
| ASMT-EPT | External Pen Test - An external penetration test that simulates malicious attacks against perimeter systems which are reachable via the internet, in order to assess the security of the customer's systems. | $ 30,000.00 | N/A |
| ASMT-FC | FedRAMP Categorization - Assists in defining which FedRAMP phase the customer needs to pursue, either low, moderate, or high. This is accomplished by working with the customer on categorizing their data and the systems that process the data. | $ 5,000.00 | N/A |
| ASMT-FHR | FedRAMP High Readiness  - Assessment that identifies the operational security capabilities currently in place focusing on all 17 required security control families described in NIST SP 800-53 Rev4. | $ 61,250.00 | N/A |
| ASMT-FMR | FedRAMP Moderate Readiness - Assessment that identifies the operational security capabilities currently in place focusing on 12 out of the 17 required security control families described in NIST SP 800-53 Rev4. | $ 51,250.00 | N/A |
| ASMT-HRA-LG | HIPAA Readiness Assessment - Large - Detailed review and assessment of information technology security controls, personnel controls, and policies and procedures that are utilized to protect protected health information (PHI).  (Scope  400-2000 HIPAA beholden personnel) | $ 45,000.00 | N/A |
| ASMT-HRA-MD | HIPAA Readiness Assessment - Medium - Detailed review and assessment of information technology security controls, personnel controls, and policies and procedures that are utilized to protect protected health information (PHI).  (Scope - 101-400 HIPAA beholden personnel) | $ 35,000.00 | N/A |
| ASMT-HRA-SM | HIPAA Readiness Assessment - Small - Detailed review and assessment of information technology security controls, personnel controls, and policies and procedures that are utilized to protect protected health information (PHI).  (Scope - Under 100 HIPAA beholden personnel) | $ 30,000.00 | N/A |
| ASMT-ICA | Initial Compliance Assessment - Assesses the types of data hosted to ensure your organization is aware of all compliance frameworks your organization needs to meet and what they entail. | $ 10,000.00 | N/A |
| ASMT-ICMMCPA | Initial CMMC Preparation Assessment  - Assesses the types of data hosted to ensure your organization is aware of which CMMC level will be applied and what gaps exist between your current and needed security architecture. | $ 10,000.00 | N/A |
| ASMT-RVA | Reoccurring Vulnerability Assessment - Assessment that provides an on-going susceptibility of systems to known vulnerabilities. Multiple tools used to provide scans as part of a continuous monitoring strategy to identify vulnerabilities, level of criticality, etc. | $ 10,000.00 | N/A |
| ASMT-S2R | SOC2 Readiness - Assessment that provides an analysis of the gaps that exist in the security controls , including Personnel, Software and Tools, Digital Infrastructure, Data Storage, and Technical and Operational Controls, and helps highlight the amount of work needed before undergoing a SOC 2 attestation. | $ 88,750.00 | N/A |
| ASMT-TPSR | Third Party Software Review - Provide advisory on third party software solutions to ensure selection of the most secure, compliant, and cost-efficient option for the cloud environment. | $ 10,000.00 | N/A |
| ASMT-VS-LG | Vulnerability Scanning - Large - Detailed report of the susceptibility of their systems to known vulnerabilities. Multiple tools used to gather vulnerability data on the target systems, and determine the severity of the discovered issues in the context of the customer systems (Scope- 253-1512 IP Addresses) | $ 10,000.00 | N/A |
| ASMT-VS-MD | Vulnerability Scanning - Medium - Detailed report of the susceptibility of their systems to known vulnerabilities. Multiple tools used to gather vulnerability data on the target systems, and determine the severity of the discovered issues in the context of the customer systems (Scope- 33-252 IP Addresses) | $ 6,250.00 | N/A |
| ASMT-VS-SM | Vulnerability Scanning - Small - Detailed report of the susceptibility of their systems to known vulnerabilities. Multiple tools used to gather vulnerability data on the target systems, and determine the severity of the discovered issues in the context of the customer systems. (Scope- 32 IP addresses and under) | $ 4,500.00 | N/A |
| BIO-004040-1000 | Biometrics NTS/ETAS Surge Suppressor X, 110v | $ 75.00 | 1 Year |
| BIO-004040-1001 | Biometrics NTS/ETAS Surge Suppressor XII, 110v | $ 144.00 | 3 Years |
| BIO-004040-1002 | Biometrics RAPIDS Hardened Deployable Laptop XII, 110v | $ 5,835.00 | 1 Year |
| BIO-004040-1003 | Biometrics NTS/ETAS Surge Suppressor XIII, 110v | $ 110.00 | 5 Years |
| BIO-004040-1004 | Biometrics PIV Camera XI, 110v | $ 795.00 | 1 Year |

| Telos Part Number | Description | List Price | Warranty |
|---|---|---|---|
| BIO-004040-1005 | Biometrics Handheld Barcode Scanner/Decoder VIII USB Cable Bundle *\*\*Due to the fact that these cables are specially manufactured in the US on a per order basis, a resulting order is non-cancelable and cannot be returned.  This lot of qty. 700 cables includes the minimum amount orderable.  Additional cable may be ordered only with the purchase of this CLIN as an open market item as we cannot include low quantity pricing due to the minimum amount that needs to be ordered.  If you  would like additional cables over the qty. 700 that are in this lot, please request open market pricing to be included on your quote so that it can be ordered at the same time as this lot of cables\*\** | $    24,400.00 | 30 Days |
| BIO-004040-1006 | Biometrics Handheld Barcode Scanner/Decoder VIII USB Additional Cable *\*\*This CLIN may only be purchased at the same time as BIO-004040-1005.  This CLIN cannot be purchased separately.\*\** | $          35.50 | 30 Days |
| BIO-004040-1007 | Biometrics Hardened Wireless Notebook w/Touchscreen XVII AC Adaptor | $          79.00 | 1 Year |
| BIO-004040-1008 | Biometrics Hardened Wireless Notebook w/Touchscreen XVII DVD | $        106.00 | 1 Year |
| BIO-004040-1009 | Biometrics Hardened Wireless Notebook w/Touchscreen XVII 2GB SDRAM | $          48.00 | 1 Year |
| BIO-004040-1010 | Biometrics Hardened Wireless Notebook w/Touchscreen XVII 4GB SDRAM | $          89.00 | 1 Year |
| BIO-004040-1011 | Biometrics Hardened Wireless Notebook w/Touchscreen XVII 250GB HDD | $          80.00 | 1 Year |
| BIO-004040-1012 | Biometrics DBIDS Layer 2 Mobile Gate Kit Upgrade | $        695.00 | 1 Year |
| BIO-004040-1013 | Biometrics PDA Terminal Case Long | $        161.00 | 1 Year |
| BIO-004040-1014 | Biometrics PDA Terminal Case Short | $        156.00 | 1 Year |
| BIO-004040-115 | TELOS Biometrics Smart Card Reader/Writer, USB, 331 | $          40.00 | 6 Months |
| BIO-004040-116 | TELOS Biometrics Finger Print Reader, USB, 2080 | $        580.00 | 3 Years |
| BIO-004040-151 | Biometrics Deployable tripod w/Case | $        158.40 | 1 Year |
| BIO-004040-155 | Biometrics Client Verification/Enrollment License | $          90.00 | N/A |
| BIO-004040-156 | Biometrics Client Verification/Enrollment Maintenance | $          20.00 | N/A |
| BIO-004040-161 | Biometrics Plastic Card Stock | $        112.00 | N/A |
| BIO-004040-167 | Biometrics High Definition Laminating Smart Card Printer, 110V | $    10,495.00 | 2 Years |
| BIO-004040-168 | Biometrics High Definition Modular Smart Card Printer, 110V | $    11,301.08 | 90 Days |
| BIO-004040-169 | Biometrics Modular Laminator, 110V | $      4,214.84 | 90 Days |
| BIO-004040-170 | Biometrics High Definition Module Smart Card Printer Kit, 110V | $    15,515.92 | 90 Days |
| BIO-004040-171 | Biometrics Desktop Digital Camera, 110V | $      1,239.62 | 1 Year |
| BIO-004040-174 | Biometrics CPR Finger Print Scanner Kit | $        651.75 | 3 Years |
| BIO-004040-182 | Biometrics USB Hub, 110V | $        142.71 | 5 Years |
| BIO-004040-197 | NTS Registration Station Case | $      1,367.26 | 1 Year |
| BIO-004040-198 | NTS Conveyance Station Case | $      1,504.26 | 1 Year |
| BIO-004040-199 | NTS Large Supply Case | $      1,385.76 | 1 Year |
| BIO-004040-200 | NTS Small Supply Case | $      1,155.88 | 1 Year |
| BIO-004040-202 | NTS Wristbands | $        635.00 | 90 Days |
| BIO-004040-203 | NTS Wristbands Closures | $        246.00 | 90 Days |
| BIO-004040-204 | Mobile DBIDS Case | $      5,370.00 | 1 Year |
| BIO-004040-206 | Biometrics PDA Stylus, 50 | $        349.00 | 90 Days |
| BIO-004040-207 | Biometrics PCMCIA FireWire Card | $          99.00 | 1 Year |
| BIO-004040-218 | Biometrics Iris Scanner | $      5,575.00 | 1 Year |
| BIO-004040-220 | Biometrics Passport Scanner | $      2,765.00 | 1 Year |
| BIO-004040-221 | Biometrics small form factor printer | $        342.00 | 1 Year |
| BIO-004040-238 | Biometrics Hand-held Rugged 1D/2D Bar Code Scanner/Decoder (110V) | $        487.59 | 1 Year |
| BIO-004040-239 | Biometrics Hand-held Rugged 1D/2D Bar Code Scanner/Decoder (220V) | $        487.59 | 1 Year |
| BIO-004040-242 | Biometrics Personal Data Assistant | $      2,340.99 | 1 Year |
| BIO-004040-244 | Biometrics Airbeam Smart Client | $          28.75 | 1 Year |
| BIO-004040-256 | Biometrics Lightning Arrestor Kit | $          66.43 | 90 Days |
| BIO-004040-259 | Biometrics 15' LMR 195 RBNC Male to N-Male | $          43.68 | 90 Days |
| BIO-004040-260 | Biometrics 2dBi Short Rubber Duck Dipole Antenna | $          20.75 | 90 Days |
| BIO-004040-261 | Biometrics Antenna, Single Sector 12-14 dBi w/15' Cable | $        250.00 | 90 Days |
| BIO-004040-262 | Biometrics Antenna w/o Reflector | $        220.91 | 90 Days |
| BIO-004040-263 | Biometrics Antenna w/ Reflector | $        246.56 | 90 Days |
| BIO-004040-264 | Biometrics MAG Mount w/12' non-Terminated Cable | $          25.00 | 90 Days |
| BIO-004040-265 | Biometrics N - Type Connector For Mag Mount Cable | $            5.00 | 90 Days |
| BIO-004040-266 | Biometrics MAG Mount w/12' cable | $          28.89 | 90 Days |
| BIO-004040-274 | Biometrics Tape Cleaning Cartridge | $          17.92 | 30 Days |
| BIO-004040-280 | Biometrics Personal Edition, min 1 | $        389.76 | 30 Days |
| BIO-004040-281 | Biometrics Personal Edition Maintenance, min 1 | $          77.77 | 30 Days |
| BIO-004040-289 | Biometrics Finger Print License | $            0.44 | 1 Year |
| BIO-004040-290 | Biometrics Finger Print 1 to Many Maintenance | $            0.09 | 1 Year |
| BIO-004040-291 | Biometrics NT Utilities | $        301.81 | 30 Days |
| BIO-004040-292 | Biometrics replication software | $        106.12 | 1 Year |
| BIO-004040-293 | Biometrics Report Developer | $        660.49 | 30 Days |
| BIO-004040-304 | Biometrics 8 dBi Outdoor Omni-directional Antenna with 5 Degree Downtilt | $        251.76 | 1 Year |
| BIO-004040-305 | Biometrics 8dBi Outdoor Omni-directional Antenna with 2 Degree Downtilt | $        251.73 | 1 Year |

| Telos Part Number | Description | List Price | Warranty |
|---|---|---|---|
| BIO-004040-306 | Biometrics 7dBi Outdoor Omni-directional Antenna with 2 Degree Downtilt | $ 297.81 | 1 Year |
| BIO-004040-307 | Biometrics LMR400 Coaxial Cable | $ 106.56 | 30 Days |
| BIO-004040-308 | Biometrics Wireless Access Point Mounting Bracket | $ 19.56 | 90 Days |
| BIO-004040-309 | Biometrics 5 dBi Omni-directional Multi-polarity Antenna | $ 222.29 | 30 Days |
| BIO-004040-31 | Laminator, 110v | $ 339.00 | 5 Years |
| BIO-004040-312 | Biometrics 17 dBi Directional Multi-polarity Beam Antenna with 20 Degree Uptilt | $ 297.79 | 30 Days |
| BIO-004040-314 | Biometrics USB Personal Identification Number (PIN) Pad | $ 65.00 | 1 Year |
| BIO-004040-320 | Biometrics Large Rack-mount UPS (110 V) | $ 800.53 | 2 Years |
| BIO-004040-332 | Biometrics SDLT Tape Media, 5 Pack | $ 261.74 | 90 Days |
| BIO-004040-333 | Biometrics DLT IV Tape Media, 5 Pack | $ 184.62 | 90 Days |
| BIO-004040-334 | Biometrics SDLT Cleaning Tape | $ 93.91 | 90 Days |
| BIO-004040-335 | Biometrics DLT IV Cleaning Tape | $ 86.25 | 90 Days |

| BIO-004060-40 | Biometrics Annual Maintenance for CAC VI | $ 8.00 | 1 Year |
| BIO-004060-41 | Biometrics 4-Slot Battery Charger Kit for MC90XX Additional Two Year Extended Warranty | $ 76.00 | 2 Years |
| BIO-004060-42 | Biometrics NTS/ETAS Portable Data Terminal Kit I Additional Two Year Extended Warranty | $ 397.00 | 2 Years |
| BIO-004060-43 | Biometrics ETAS Cradle/Charger Kit Additional Two Year Extended Warranty for MC90XX | $ 76.00 | 2 Years |
| BIO-004060-55 | Biometrics ID Document Reader I Extended Warranty | $ 124.00 | 1 Year |
| BIO-004060-58 | Biometrics NT Utilities I Annual Maintenance | $ 950.00 | 1 Year |
| BIO-004060-59 | Biometrics Compression Software III Maintenance | $ 8.35 | 1 Year |
| BIO-004060-60 | Biometrics NT Utilities II Annual Maintenance | $ 63.75 | 1 Year |
| BIO-004060-67 | Biometrics Desktop Workstation XII Extended Warranty | $ 315.00 | 2 Years |
| BIO-004060-69 | Biometrics Main Battery Extended Warranty | $ 132.00 | 2 Years |
| BIO-004060-70 | Biometrics ID Document Reader I Annual Support | $ 3,250.00 | 1 Year |
| BIO-004060-71 | Biometrics Compression Software V Maintenance | $ 8.15 | 1 Year |
| BIO-004060-73 | Biometrics Hardened Wireless Notebook XII Extended Warranty | $ 429.00 | 2 Years |
| BIO-004060-80 | Biometrics Fast License | $ 730.00 | 1 Year |
| BIO-004060-81 | Biometrics PDFViewer License Support, 200 Users | $ 443.00 | 1 Year |
| BIO-004060-82 | Biometrics PDFViewer License Support, 1,000 Users | $ 885.00 | 1 Year |
| BIO-004060-83 | Biometrics PDFViewer License Support, 10,000 Users | $ 1,776.00 | 1 Year |
| BIO-004060-84 | Biometrics Facial Capture SDK 10-Pack Annual Maintenance | $ 1,695.00 | 1 Year |
| BIO-004060-85 | Biometrics Identity Capture SDK Annual Maintenance | $ 855.00 | 1 Year |
| BIO-004060-86 | Biometrics Engine SDK Annual Maintenance | $ 95.00 | 1 Year |
| BIO-004080-02 | Biometrics Spectrum24 Wireless Access Point, 200V, Reconditioned | $ 500.00 | 90 Days |
| DAWN | Deploy Anywhere Wireless Node | $ 8,250.00 | 1 Year |
| GA-51001 | Program Manager -  BS degree, 10 years general exp., 5 years specific exp. Senior Manager with extensive experience in the management of large, complex programs. Required for extremely large programs, programs with multiple simultaneous tasks, or programs with many locations.  Ensures timeliness and quality of products. | $ 229.00 | N/A |
| GA-51002 | Project Manager - BS degree, 7 years general exp., 5 years specific exp.Responsible for overall performance of a project.  Maintains and oversees schedules and costs.  Review all products to ensure they meet Telos quality standards.  Prepares progress reports for customer and Telos management. | $ 191.00 | N/A |
| GA-51003 | Task/Administrative Manager - BS degree, 5 years general exp., 3 years specific exp.Oversees the performance of a team of technical staff.  Manages various administrative aspects of a project or task as may be required by the customer. | $ 129.00 | N/A |
| GA-51005 | Configuration Management Specialist - BS degree, 5 years general exp., 3 years specific exp.Develops configuration management standards specific to project.  Trains project staff in CM procedures.  Enforces CM procedures.  Provides feedback to Telos Quality Assurance Manager regarding improvements in procedures. | $ 129.00 | N/A |

| Telos Part Number | Description | List Price | Warranty |
|---|---|---|---|
| GA-51007 | Project Control Specialist - BS degree, 5 years general exp., 3 years specific exp. Maintains and monitors official project schedule. Maintains records of project expenditures. Prepares financial progress reports. Identifies schedule and/or cost problems. | $ 101.00 | N/A |
| GA-51008 | Administrative Support - HS diploma, 3 years general exp. Provides word processing, receptionist, and general office support. | $ 73.00 | N/A |
| GA-51009 | Documentation Specialist - BS degree, 5 years general exp., 3 years specific exp. Develops document outlines in accordance with project standards. Maintains document development schedule and writing assignments. Produces final document, including technical editing. Develops graphics and tables. | $ 94.00 | N/A |
| GA-51010 | Systems Architect - MS degree, 10 years specific exp., or BS degree, 12 years specific exp. Design systems across software package boundaries; interfaces multiple computer program configuration items. Knows and is able to react to hardware and operating system environments. Knows and recommends effective hardware configuration to accomplish overall task. | $ 176.00 | N/A |
| GA-51013 | Sr. Systems Analyst - MS degree, 2 years specific exp., or BS degree, 4 years specific exp. Performs analysis of system requirements; converts functional design to detailed logic for coding into computer language for a software system. Analyzes problems; develops sequences of program steps; converts steps to computer-processable language. | $ 153.00 | N/A |
| GA-51014 | Systems Analyst - BS degree, 2 years specific exp. Prepares written code instructions; creates or builds system as designed. Develops and executes unit tests of unit code. Documents program. | $ 132.00 | N/A |
| GA-51015 | Hardware Engineer - BS degree, 5 years specific exp. Provide technical support for software developers and to customers in matters dealing with system hardware. Merge electronic expertise, programming knowledge to resolve problem source. Provide guidance to system developers concerning impact of hardware changes on software systems. | $ 144.00 | N/A |
| GA-51018 | Training Analyst - MS degree, 2 years specific exp., or BS degree, 4 years specific exp. Performs job and task analyses for software systems. Identifies and defines learning objectives for training in support of introduction of new software systems or new system capabilities. | $ 129.00 | N/A |
| GA-51019 | Training Specialist - BS degree, 2 years specific exp. Develop system technical manuals. Design and develop technical training documents and course materials. Conducts validation of training materials against developing software systems. Instructs system users on operation of new software systems or new system capabilities. | $ 108.00 | N/A |
| GA-51023 | Sr. Systems Engineer - MS degree, 10 years general exp., 7 years specific exp. Analyzes production, inventory control, distribution, cost analysis, finance, marketing, human resources, and a variety of other business and technical problems to formulate and develop new and modified information processing systems. Determines techniques to improve the basis for decision making, policy construction, and program design and execution. | $ 172.00 | N/A |
| GA-51024 | Systems Engineer - MS degree, 7 years general exp., 5 years specific exp. Develops, maintains, and establishes operational specifications for information processing systems including manual systems and those supported by data processing equipment. Coordinates with all organizations involved to ascertain system requirements such as program functions, output requirements, input data acquisition, and system techniques, and controls. | $ 142.00 | N/A |
| GA-51025 | Sr. Software Engineer - MS degree, 5 years general exp., 3 years specific exp. Conducts or participates in multidisciplinary research and collaborates with equipment designers and/or hardware engineers in the design, development, and utilization of electronic data processing systems software. | $ 181.00 | N/A |

| Telos Part Number | Description | List Price | Warranty |
|---|---|---|---|
| GA-51026 | Software Engineer - MS degree, 5 years general exp., 1-year specific exp. Designs and develops compilers and assemblers, utility programs, and operating systems such as executive programs. | $ 151.00 | N/A |
| GA-51031 | Field Engineering Supervisor - 10 years general exp., 7 years specific exp., 2 years supervisory exp. Supervises, plans, organizes, and schedules maintenance activities. Maintains equipment performance and maintenance records.  Establishes and maintains effective customer relations.  Provides guidance, training, and support for technical personnel.  Maintains performance records. | $ 186.00 | N/A |
| GA-51032 | Sr. Field Service Technician - 10 years general exp., 5 years specific exp. Performs preventative and remedial equipment maintenance.  Install and remove systems and subsystems; make field changes.  Establish and maintain effective customer relations.  Provide technical support to lower level technicians | $ 164.00 | N/A |
| GA-51033 | Field Service Technician - Intermediate - 5 years general exp., 3 years specific exp. Performs preventative and remedial equipment maintenance.  Install and remove systems and subsystems; make field changes.  Establish and maintain effective customer relations.  Provide technical support to lower level technicians. | $ 129.00 | N/A |
| GA-51034 | Field Service Technician - Junior - 2 years general exp., 1-year specific exp. Performs preventative and remedial equipment maintenance.  Install and remove systems and subsystems; make field changes.  Establish and maintain effective customer relations. | $ 74.00 | N/A |
| GA-51035 | Technical Support Specialist - AA degree, 8 years general exp., 2 years specific exp. Perform functional and financial analyses on faulty equipment with appropriate recommendations and justifications to customer.  Use database to develop reports, analyze essential metrics, and convey findings to management.  Apply quality control methods to recognize, evaluate, and initiate process improvements.  Monitors maintenance performance criteria to assess technical proficiency and productivity of the work force. | $ 125.00 | N/A |
| GA-51036 | Logistics Manager - AS degree, 5 years specific exp. Manages accountability of customer and contractor property from acquisition to disposal.  Coordinate equipment and property requirements for technical and administrative staff.  Maintains safety and security of customer equipment in contractor's possession.  Manipulate database to manage inventory levels and report statistics. | $ 108.00 | N/A |
| GA-51037 | Logistics Engineer - BS degree, 2 years specific exp., 3 years general exp. Establishes calibration requirements field systems/equipment, including all maintenance tasks. Reviews handbooks and manuals for technical adequacy.  Assists in development of maintenance engineering and logistics support. | $ 163.00 | N/A |
| GA-51038 | Logistics Specialist | $ 74.00 | N/A |
| GA-51039 | Integrated Logistics Support Manager - AS degree, 5 years general exp., 5 years specific exp. Supervises the development of maintenance engineering and logistics support. Reviews field support requirements and recommends tolls and test equipment. | $ 134.00 | N/A |
| GA-51040 | Operations Manager - BS degree, 3 years management exp., 3 years finance exp. Administer contract finances.  Maintain and enhance interaction of contractor and customer contract personnel.  Use financial software and databases to monitor and report to customer.  Coordinate requirements for contract modifications and audits. | $ 125.00 | N/A |
| GA-51048 | Network Architect - MS degree, 10 years specific exp. Or BS degree, 12 years specific exp. Design networks across system boundaries; interfaces multiple configuration items. Knows and is able to react to hardware and operating system environments.  Knows and recommends effective hardware configuration to accomplish overall task. | $ 176.00 | N/A |

| Telos Part Number | Description | List Price | Warranty |
|---|---|---|---|
| GA-51053 | Network Installation Supervisor - 5 years general exp., 3 years specific exp., 2 years supervisory exp. Supervises, plans, organizes, and schedules network installers. Performs site survey to determine requirements for project. Coordinates installation, de-installation, and relocation activities. Responsible for administrative work for installers. | $  164.00 | N/A |
| GA-51054 | Network Installer - 3 years general exp., 1-year specific exp. Installs, de-installs, and relocates network hardware. Loads software packages on servers and workstations as required. Verifies equipment operation and performs equipment repairs. Completes checklists and acceptance forms. | $  103.00 | N/A |
| GA-51056 | Network Manager - BS degree, 5 years general exp., 3 years specific exp. Plans, conducts, oversees, and is responsible for all network activities. Evaluates and recommends new network technology to meet requirements. Manage network staff and network resources. Communicate effectively with employees throughout the organization. | $  142.00 | N/A |
| GA-51057 | Network Administrator - 5 years general exp., 2 years specific exp. Responsible for day-to-day network operations. Monitors logs and usage statistics; adjusts configuration settings as needed. Updates system user and resource configurations. Troubleshoots normal network problems. Backs-up the system and handles system security. | $  112.00 | N/A |
| GA-51058 | Sr. Network Test Engineer - BS degree, 5 years general exp., 3 years specific exp. Defines requirements for network test based upon network requirement specifications. Develop software test tool requirements on basis of network design. | $  156.00 | N/A |
| GA-51059 | Network Test Engineer - BS degree, 5 years general exp., 2 years specific exp. Develops and conducts procedures to test network performance. Directs and participates in network analysis, testing, and acceptance phases. Designs and prepares technical solutions and reports results for record. Provides feasibility determinations and recommendations on the network. | $  133.00 | N/A |
| GA-51068 | Database Optimization Specialist | $  131.00 | N/A |
| GA-51070 | Database Sr. Engineer - MS degree, 7 years specific exp., or BS degree, 9 years specific exp. Designs, develops and implements integrated applications using RDMS. Expert level knowledge and specialized training in multiple hardware and operating system environments. | $  214.00 | N/A |
| GA-51071 | Client/Server Specialist, HR or Financial - MS degree, 12 years specific exp., or BS degree, 14 years specific exp. Specialized client/server products in HR and /or financial (e.g. PeopleSoft, SmartStream, SAP, Oracle Financials). Expert level knowledge and specialized training in multiple hardware and operating system environments. Expertise in the design, development and implementation of products using RDBMS in a client/server environment. | $  250.00 | N/A |
| GA-51072 | Database Documentation Specialist - BS degree, 3 years specific exp. Develops document outlines in accordance with task standards. Maintains document development schedule. | $  109.00 | N/A |
| GA-51073 | Sr. Database Test Specialist - BS degree, 4 years specific exp. Defines requirements for network test based upon database requirements specifications. Develops software test tool requirements on basis of database design. | $  167.00 | N/A |
| GA-51074 | Database Test Specialist - BS degree, 2 years specific exp. Develops automated and manual test cases and procedures. Establishes benchmark test scenarios. Prepares test reports. | $  118.00 | N/A |
| GA-51075 | Sr. Database Manager - MS degree, 5 years specific exp., 5 years general exp. Plans, conducts, oversees, and is responsible for all database activities. Evaluates and recommends new database technology to meet requirements. | $  181.00 | N/A |
| GA-51076 | Database Manager - BS degree, 3 years specific exp., 5 years general exp. Manage database staff and database resources. | $  131.00 | N/A |

| Telos Part Number | Description | List Price | Warranty |
|---|---|---|---|
| GA-51077 | Sr. Database Administrator - BS degree, 5 ears specific exp. Responsible for day-to-day database operations.  Monitors logs and usage statistics.  Updates system user and resource configurations. | $ 154.00 | N/A |
| GA-51078 | Database Administrator - BS degree, 2 years specific exp. Troubleshoots normal database problems.  Backs-up the system and handles system security. | $ 114.00 | N/A |
| GA-51079 | Database Training Specialist - BS degree, 2 years specific exp. Design and develop technical training documents and course materials.  Conducts validation of training materials against developing database system.  Instructs system users on operation of new database systems or new system capabilities. | $ 133.00 | N/A |
| GA-51081 | Web Systems Architect - BS degree, 7 years exp. Web site structure, design, and planning. | $ 151.00 | N/A |
| GA-51086 | Multimedia Developer - BS degree, 3 years exp. Animations, solid modeling, VRML creations. | $ 164.00 | N/A |
| GA-51089 | Internet Security Engineer - BS degree, 5 years specific exp. Analyze security requirements of the customer.  Determine system vulnerabilities.  Identify and evaluate alternative security strategies.  Implement and monitor selected solutions. | $ 166.00 | N/A |
| GA-51090 | Internet Graphics Designer - AA degree, 2 years specific exp. Designs and implements graphics layout of WWW pages. | $ 128.00 | N/A |
| GA-51091 | Information Security Engineering Project Leader - BS or  MS in CS, EE, or MIS., 10 Years specific exp., 1-year supervisory exp. Provide technical management to teams of information security engineers.  Provide daily engineering oversight to ongoing information security projects.  Define information security engineering approaches and delegate work, based on task requirements.  Review, comment, and approve all task deliverables.  Monitor status of projects and report status to customer. | $ 219.00 | N/A |
| GA-51092 | Information System Security Engineer - BS in CS, EE, or MIS, 2 years specific exp. Assist in conducting information system security engineering analysis on a variety of information processing systems.  Specific knowledge includes but is not limited to; Unix, NT, and TCP/IP.  Assist in developing security accreditation/ certification planning documentation.  Assist in conducting security certification engineering analysis and testing. | $ 144.00 | N/A |
| GA-51093 | Sr. Information System Security Engineer - BS in CS, EE, or MIS, 5 years specific exp. Assist in conducting information system security engineering analysis on a variety of information processing systems at various security levels.  Specific knowledge includes but is not limited to; Unix, NT, MLS, and TCP/IP.  Develop security accreditation/certification planning documentation.  Develop security certification test plans, procedures.  Conduct security certification engineering analysis and testing.  Develop security risk and vulnerability assessments.  Develop security processes, policies, and procedures.  Conceptualize/ design and implement security systems and architectures. | $ 179.00 | N/A |
| GA-51094 | Information Security Certification Test Specialist - AS in CS, ET, or MIS, 1-year specific exp. Assist in developing test procedures, establishing test environments, and executing security certification tests/demonstrations/ evaluations. Assist in documenting test/ demonstration/evaluation results.  Assist in developing test/demonstration/evaluation reports, conclusions, and recommendations. | $ 123.00 | N/A |
| GA-51095 | Sr. Information Security Certification Test Specialist - BS in CS, EE, or MIS with 5 years specific exp. Develop test procedures, establish test environments, and execute security certification tests/demonstrations/ evaluations.  Document test/demonstration/ evaluation reports, conclusions, and recommendations. | $ 156.00 | N/A |

| Telos Part Number | Description | List Price | Warranty |
|---|---|---|---|
| GA-51096 | Information System Security Training and Awareness Specialist - BS in CS, EE, or MIS, 3 years specific exp. Develop information security training and awareness packages/curriculum based on information security system designs and/or emerging threats and security technology.  Conduct information security training and awareness programs. | $ 119.00 | N/A |
| GA-51097 | Network Engineer - BS in a technical discipline and/or certification in Novell/Networking (CNE), Microsoft Products/Engineering (MSCE). 4 years' general, including 2 year's network design, upgrade, installation, operation, and/or maintenance. Under supervision of a senior engineer, implements, operates, and/or upgrades local, metropolitan, or wide area networks involving some subset of the following technologies and equipment:  Novell, Windows NT, Banyan Vines, or other servers; Windows 3.1, Windows 95, OS/2 or other desktop machines; data switching equipment; VTC; hubs and routers; network cabling and transceivers; network interface cards; TCP/IP and other protocols; data and file encryption; and HP Open View or other network management software. | $ 163.00 | N/A |
| GA-51098 | Network Engineer, Intermediate - BS degree in a technical discipline; must be CNE, 7 years general exp., incl. 4 years network design, upgrade, installation, operation, and/or maintenance. With minimal supervision (e.g. at small isolated sites), implements, operates, and/or upgrades, local, metropolitan, or wide area networks involving some subset of the following technologies and equipment: Novell, Windows NT, Banyan Vines, or other servers; Windows 3.1, Windows 95, OS/2 or other desktop machines; data switching equipment; VTC; hubs and routers; network cabling and transceivers; network interface cards; TCP/IP and other protocols; data and file encryption; and HP Open View or other network management software. | $ 193.00 | N/A |
| GA-51099 | Network Engineer, Senior - Master's degree in a technical discipline, must be CNE, 10 years general, incl. 6 years network design, upgrade, installation, operation, and/or maintenance. Capable of leading a team of network engineers implementing, operating, and/or upgrading local, metropolitan, or wide area networks involving some subset of the following technologies and equipment: Novell, Win NT, Banyan Vines, or other servers; Win 3.1, Win 95, OS/2 or other desktop machines; data switching equipment; VTC; hubs and routers; network cabling and transceivers; network interface cards; TCP/IP and other protocols; data and file encryption; and HP Open View or other network management software. | $ 234.00 | N/A |
| GA-51100 | System/Network Administrator, Intermediate - BS degree in technical field, MIS, or related discipline; must be CAN, 7 years' general, incl. 4 years system or network administration with minimal supervision (e.g. at small isolated sites), administers Novell, Windows NT, Banyan Vines, or other networks supporting Windows 3.1, Windows 95, OS/2 or other desktop machines.  Duties include server boot-up; password maintenance; server back-ups; and user support/ training. | $ 175.00 | N/A |
| GA-51101 | System/Network Administrator, Senior - MS degree in technical field, MIS, or related discipline; must be CAN, 10 years general, incl. 6 years system or network administration. Capable of leading a team of system/network administrators who are administering Novell, Windows NT, Banyan Vines, or  other networks supporting Windows 3.1, Windows 95, OS/2 or other desktop machines.  Duties include server boot-up; password maintenance; server back-ups; and user support/training. | $ 234.00 | N/A |
| GA-51102 | Subject Matter Expert - MS in area of expertise, 15 years general exp., including 10 years in area of expertise. Recognized as an expert in his/her principal functional area, which can range from technical disciplines, such as software engineering, to operational/ business disciplines such as command and control, logistics, contracting, and finance. | $ 331.00 | N/A |

| Telos Part Number | Description | List Price | Warranty |
|---|---|---|---|
| GA-51103 | AMHS Systems Engineer, Senior - MS in a technical discipline, or BS and 10 years design experience in messaging systems. Experience must include 10 years general, including 6 years message system design, upgrade, installation, operation and/or maintenance. Must have extensive experience with the TELOS-developed AMHS. Capable of leading a team of AMHS engineers implementing, operating, and/or upgrading DMS and AUTODIN messaging systems involving some subset of the following technologies and equipment: Communication Support Processor, AGMS, LDMX or other military service message switches. Must have extensive knowledge and practical experience with Windows 2000 and 2003 server operating systems as well as Windows 2000 Pro and Windows XP Pro desktop operating systems and Internet Explorer/ Netscape browsers. Must be very knowledgeable in the following protocols: TCP/IP and Autodin Mode 1 as well as data and file encryption | $ 233.00 | N/A |
| GA-51104 | AMHS Engineer - BS in a technical discipline, and/or applicable equivalent experience in Defense Messaging environment. Experience must include 8 years general, including 2 years message system (AUTODIN and DMS) design, upgrade, installation, operation and/or maintenance. Must have experience with the TELOS-developed AMHS.Under the supervision of a senior AMHS engineer, implement, operate and/or upgrade AMHS systems involving some subset of the following technologies and equipment: AUTODIN, DMS, Microsoft Exchange and SQL Server and Microsoft Internet Information Server. Must have knowledge and practical experience with Windows 2000 and 2003 server operating systems as well as Windows 2000 Pro and Windows XP Pro desktop operating systems and Internet Explorer/ Netscape browsers. Must have knowledge in the following protocols: TCP/IP and Autodin Mode 1 as well as data and file encryption. | $ 209.00 | N/A |
| GA-51105 | AMHS Systems Administrator - BS in a technical discipline, and/or applicable equivalent experience in Defense Messaging environment. Must have 6 years of real system administration experience, including 2 years of messaging system administration. Experience needed with the TELOS-developed AMHS.With minimal supervision, administer one or more AMHS servers running either the Windows 2000 or 2003 server operating system. Duties include AMHS server boot-up, AMHS account and profile maintenance, AMHS database maintenance (SQL Server), server backups and user support and training as required. | $ 163.00 | N/A |
| GA-51106 | AMHS System Operator - Associate degree in technical field or equivalent related messaging experience. Must have 4 years of general system administration experience, including 2 years of messaging system and network administration. Must have experience/ training on the TELOS developed AMHS system. With minimal supervision, operate one or more AMHS servers on the Windows 2000 or 2003 server operating system and support users of the AMHS on Windows 2000 Pro and XP desktop operating systems. Duties include AMHS server boot-up, AMHS profile maintenance and server backups as required. | $ 117.00 | N/A |
| GA-51107 | Enterprise Security Consulting PM - Provide technical management to teams of information security engineers.  Provide daily engineering oversight to ongoing information security projects.  Define information security engineering approaches and delegate work, based on task requirements.  Review, comment and approve all task deliverables.  Monitor status of projects and report status to customers. | $ 210.00 | N/A |
| GA-51108 | Certified Enterprise Security Consulting Program Manager - Provide technical management to teams of information security engineers.  Provide daily engineering oversight to ongoing information security projects.  Define information security engineering approaches and delegate work, based on task requirements.  Review, comment and approve all task deliverables.  Monitor status of projects and report status to customers. | $ 224.00 | N/A |
| GA-51109 | Enterprise Security Consultant - Assist in conducting information system security engineering and analysis on a variety of information processing systems.  Specific knowledge includes but is not limited to: Unix, NT, and TCP/IP.  Assist in developing security accreditation/certification planning documentation.  Assist in conducting security certification engineering analysis and testing. | $ 160.00 | N/A |

| Telos Part Number | Description | List Price | Warranty |
|---|---|---|---|
| GA-51110 | Certified Enterprise Security Consultant - Assist in conducting information system security engineering and analysis on a variety of information processing systems. Specific knowledge includes but is not limited to: Unix, NT, and TCP/IP. Develop security accreditation/certification planning documentation. Develop security certification test plans, procedures. Conduct security certification engineering analysis and testing. Develop security processes, policies, and procedures. Conceptualize/design and implement security systems and architectures. | $ 176.00 | N/A |
| GA-51111 | Certification and Accreditation Enterprise Security Analyst - Provide Consulting services in support of information system certification and accreditation. Develop System Security Authorization Agreements using automated tools. | $ 160.00 | N/A |
| GA-51112 | Certified Certification and Accreditation Enterprise Security Analyst - Provide Consulting services in support of information system certification and accreditation. Develop System Security Authorization Agreements using automated tools. | $ 176.00 | N/A |
| GA-51113 | Senior Certification and Accreditation Enterprise Security Analyst - Provide Consulting services in support of information system certification and accreditation. Develop System Security Authorization Agreements using automated tools. | $ 191.00 | N/A |
| GA-51114 | System Specialist | $ 166.00 | N/A |
| GA-51115 | Associate Technical Director | $ 205.00 | N/A |
| GA-51116 | Project Director | $ 231.00 | N/A |
| GA-51117 | Technical Director | $ 249.00 | N/A |
| GA-51118 | TSAM Systems Engineer Senior | $ 238.00 | N/A |
| GA-51119 | TSAM Systems Engineer | $ 215.00 | N/A |
| GA-51120 | Solutions Architect -   Recognized as an expert in business processes, system development and design, and functional requirements development and analysis.  This individual will work with senior managers to decompose complex requirements, implement plans to address critical points of concern, and establish methods for efficiency.  The Solutions Architect can also:  Chair/Participate in Technical Exchange Meetings/Panels, Brief top executives on technical strategic goals and implementation plan,  Develop technical reports and strategic plans, Provide guidance, mentorship, management and oversight to all technical staff.  B.A. or B.S. degree or equivalent experience in Information Technology, Computer Science, Electrical Engineering, or related field.   Master's preferred.  10 years experience in Information Technology, Information Security, Network Design, or related field is required. | $ 339.00 | N/A |
| GA-51121 | Security Engineer- The Security Engineer has experience throughout the cyber security lifecycle and can gather and analyze security requirements, implement security requirements and provide continuous monitoring of the security posture of the system or enterprise.  The  Security Engineer can: Develop and document plans for Cyber Security Design, Awareness, and Compliance, Support Cyber Security Executives in their mission to monitor and improve the security posture of the enterprise, Perform Cyber Security Testing, Validation, and Assessment activities.  Provide on-site support as an Information Systems Security Officer/Manager, Provide Computer Network Defense and Forensics Expertise.  B.A./B.S. in Engineering, Computer Science, Information Technology, Information Security or related field is required.  Additional experience may be substituted for education requirements.   8 years general experience with 4 years experience in Cyber Security or Information Assurance is required. | $ 312.00 | N/A |
| GA-51122 | Senior Security Engineer -   The Senior Security Engineer has experience throughout the cyber security lifecycle and can gather and analyze security requirements, implement security requirements and provide continuous monitoring of the security posture of the system or enterprise. The Senior Security Engineer can: Develop and document plans for Cyber-Security Design, Awareness, and Compliance, Support Cyber-Security Executives in their mission to monitor and improve the security posture of the enterprise, Perform Cyber-Security Testing, Validation, and Assessment activities.  Provide on-site support as an Information Systems Security Officer/Manager, Provide Computer Network Defense and Forensics Expertise.  B.A./B.S. in Engineering, Computer Science, Information Technology, Information Security or related field is required.  Additional experience may be substituted for education requirements.   12 years general experience with 7 years experience in Cyber Security or Information Assurance is required. | $ 415.00 | N/A |

|---|---|---|---|
| GA-52001-C | Management- Cloud Technology, Senior Manager - Oversees the technical aspects of the cloud computing environment, including the strategy, adoption, design, implementation, and maintenance of cloud-based infrastructure, security, applications, and services. Creates project plans in accordance with customer requirements and manages projects throughout the entire project lifecycle. Collaborates with the cloud, development, security, and operation teams and other stakeholders to ensure the cloud computing environment meets the business and technical requirements of cost optimization, operations, performance, reliability, and security. Provides guidance and support to teams in meeting milestones and overall project timelines. Establishes and maintains consistent customer communication through project lifecycles.Bachelors Degree. PMP desired but not required. Minimum 5 years experience. | $ 250.97 | $ 238.42 |
| GA-52002-C | Cloud Architect, Associate Principal - Designs and oversees implementation of cloud computing environment to meet organization's objectives. Develops and designs cloud and cloud-based solutions for cloud strategy and adoption, including Cloud Migration, Security and Compliance, Hybrid-Cloud, Multi-cloud, and cloud-native development. Collaborates with the cloud, development, security, and operation teams and other stakeholders to ensure the cloud solution(s) meet the business and technical requirements of cost optimization, operations, performance, reliability, and security. Stays current on emerging trends and technologies, and best practices in the cloud and makes recommendations and/or improvements to the cloud architecture and implementation accordingly. Bachelors Degree. AWS Solutions Architect Associate, Azure Data Engineer Associate, Azure Network Engineer Associate, Google Cloud Engineer One of the above is desired but not required. Minimum 8 years experience | $ 204.82 | N/A |
| GA-52003-C | Cloud Engineer, Senior - Implements, configures, manages, monitors, and troubleshoots cloud-based solutions under the guidance of engineering lead. Test and implement automation and orchestration tools and processes for cloud efficiencies. Collaborates with the cloud team in order to complete specific tasks and projects assigned by the engineering lead. Stays current on emerging trends and technologies, and best practices in the cloud. Bachelors Degree. CCSP, Google Cloud Architect, Azure Solutions Architect - Expert, AWS Solutions Architect - Professional One of the above is desired but not required. Minimum 5 years experience. | $ 180.55 | N/A |
| GA-52004-C | Cloud Engineer, Associate Principal - Implements, configures, manages, monitors, and troubleshoots cloud-based solutions in accordance with the cloud architecture. Identify, develop, and test automation and orchestration tools and processes for cloud efficiencies. Delegate tasks to team members as needed. Collaborates with the cloud, development, security, and operation teams and other stakeholders to ensure the cloud solution(s) are implemented in accordance with the cloud architecture and technology objectives to include performance, reliability, and security. Stays current on emerging trends and technologies, and best practices in the cloud and makes recommendations to improve the cloud solution(s) accordingly. Bachelors Degree. AWS DevOps Engineer - Professional, Azure DevOps Engineer - Expert, Google Data Engineer, Google Cloud Engineer (Data, DevOps, Network, Database) One of the above is desired but not required. Minimum 8 years experience. | $ 226.47 | N/A |
| GA-52005-C | Cloud Systems Administrator, Senior - Administers and manages daily operations of the cloud infrastructure, applications, and services under the guidance of the Lead Cloud Systems Administrator. Collaborates with the cloud and operation teams and other stakeholders to ensure the cloud environment meets defined requirements for cost optimization, operations, performance, reliability, and security. Stays current on emerging trends and technologies, and best practices in the cloud. Bachelors Degree. Google Workspace Administrator, Azure Administrator, AWS Certified SysOps Administrator One of the above is desired but not required. Minimum 5 years experience. | $ 148.19 | N/A |
| GA-52006-C | Cloud Systems Administrator, Lead - Leads a team of cloud system administrators that administer and manage daily operations of the cloud infrastructure, applications, and | $ 167.15 | N/A |

| TG-AENP-12-00-SN | Telos Ghost Private Node Pair - annual service for dedicated single access/exit node pair on the Telos Ghost Subscription Network.  Pre-requisite is TG-CAPBUN-00, TG-WA-12-00, TG-WA-12-05 and/or TG-WA-12-10 for each user that will be using the dedicated pair. | $ 22,517.00 | 1 Year |
| TG-AENP-NA-12-00 | Telos Ghost Private Node Pair (additional) - annual service for a single access/exit node pair for a private network after the first two, which are included as part of TG-NA-12-00-2E-I. | $ 22,517.00 | 1 Year |
| TG-CAPBUN-12-00 | Telos Ghost Critical Asset Protection Bundle - Annual Service for dedicated single access/exit node pair on the Telos Ghost Subscription Network that enables critical assets to be hidden from public internet.  Bundle includes one node pair, 5 users and set up fee on the Telos Ghost Subscription Network. | $ 35,000.00 | 1 Year |
| TG-CC-12-00 | Telos Ghost Cloaked Chat - annual access - cloud up to 50 users.  Each User pre-requisite is TG-WA-12-00. | $ 20,434.00 | 1 Year |
| TG-CC-5-X | Telos Ghost Cloaked Chat - annual access - additional 5 users (above 50).  Pre-requisite is TG-CC-12-00. | $ 1,667.00 | 1 Year |
| TG-CC-SETUP | Telos Ghost Cloaked Chat Setup - Cloud. | $ 10,556.00 | 1 Year |
| TG-CE-12-00 | Telos Ghost Cloaked Email - annual access - cloud up to 50 users.  Each User pre-requisite is TG-WA-12-00. | $ 20,434.00 | 1 Year |
| TG-CE-5-X | Telos Ghost Cloaked Email - annual access - additional 5 users (above 50).  Pre-requisite is TG-CE-12-00. | $ 1,667.00 | 1 Year |
| TG-CE-SETUP | Telos Ghost Cloaked Email Setup - Cloud. | $ 10,556.00 | 1 Year |
| TG-CS-2TB-12-00 | Telos Ghost Cloaked Storage - annual access providing 2TB - cloud. | $ 17,067.00 | 1 Year |
| TG-CS-SETUP | Telos Ghost Cloaked Storage Setup (2TB) - Cloud. | $ 8,454.00 | 1 Year |
| TG-GTWY-12-00 | Telos Ghost Gateway - Annual gateway service for multiple user access from central location.  Each user pre-requisite is TG-WA-12-00. | $ 14,573.00 | 1 Year |
| TG-GTWY-SETUP-LG | Telos Gateway Setup - Setup charge for gateway for multiple user access from central location - up to 50 users.  Each user pre-requisite is TG-WA-12-00. | $ 14,022.00 | 1 Year |
| TG-GTWY-SETUP-SM | Telos Gateway Setup - Setup charge for gateway for multiple user access from central location - up to 5 users.  Each user pre-requisite is TG-WA-12-00. | $ 9,237.00 | 1 Year |
| TG-NA-12-00-2E-I | Telos Ghost Private Network  - Annual Fee up to 50 users.  Each User pre-requisite is TG-WA-12-00 to be part of the network.  Two access/exit node pairs are included as part of this offering.  Initial Year  Mis-Attrib | $ 125,428.00 | 1 Year |
| TG-NA-12-00-2E-O | Telos Ghost Private Network  - Annual Fee up to 50 users.  Each User pre-requisite is TG-WA-12-00 to be part of the network.  Two access/exit node pairs are included as part of this offering.  Outer Year.  Mis-Attrib | $ 82,425.00 | 1 Year |
| TG-NA-C-SETUP | Telos Ghost private network setup charge - Cloud | $ 10,556.00 | 1 Year |
| TG-NAX-50-00 | Telos Ghost Private Network - Annual Fee  - up to an additional 50 users after the first 50.  Each User pre-requisite is TG-WA-12-00 to be part of the network.  This part number needs to be ordered in addition to TG-NA-12-00-2E-I or TG-NA-12-00-2E-O if the network is over 50 users. | $ 31,900.00 | 1 Year |
| TG-V-12-00 | Telos Ghost Voice - Annual access for private unified communications.  Hidden PBX capabilities for private person to person communications - 3 or 4 digit dialing - annual fee per user. Each User pre-requisite is TG-WA-12-00. | $ 983.00 | 1 Year |
| TG-VDI-D4-12-00 | Telos Ghost dedicated VDI per user - annual service providing persistent dedicated virtual machine to establish a distinct persona in a given location - cloud.  Each VDI supported is 4GB Memory/10GB Storage (Windows 10).  Each user pre-requisite is TG-WA-12-00. | $ 7,900.00 | 1 Year |

| Telos Part Number | Description | List Price | Warranty |
|---|---|---|---|
| TG-VDI-D8-12-00 | Telos Ghost dedicated VDI per user - annual service providing persistent dedicated virtual machine to establish a distinct persona in a given location - cloud.  Each VDI supported is 8GB Memory/50GB Storage (Windows 10). Each user pre-requisite is TG-WA-12-00. | $ 8,650.00 | 1 Year |
| TG-VDI-D-SETUP | Telos Ghost VDI-Persistent.  Setup Charge for up to 20 users - cloud.  Each VDI will be setup as either 8GB Memory/50GB Storage or 4GB Memory/10GB Storage (Windows 10) as indicated by the customer. | $ 5,641.00 | 1 Year |
| TG-VDI-DX-SETUP | Telos Ghost VDI-Persistent.  Setup Charge for up to 10 additional users - cloud.  Each VDI will be setup as either 8GB Memory/50GB Storage or 4GB Memory/10GB Storage (Windows 10) as indicated by the customer.  This offering must be included for every 10 additional users (or portion there of) after the first 20.  Pre-requisite is TG-VDI-D-SETUP. | $ 2,828.00 | 1 Year |
| TG-VOC-12-00 | Telos Ghost Voice - Annual access service for private unified communications.  Hidden PBX capabilities for private person to person communications - 10 digit  dialing - annual fee per user. Each User pre-requisite is TG-WA-12-00. | $ 1,383.00 | 1 Year |
| TG-V-SETUP | Telos Ghost Voice Setup - Cloud | $ 7,975.00 | 1 Year |
| TG-WA-12-00 | Telos Ghost Web Access - annual fee per user | $ 1,700.00 | 1 Year |
| TG-WA-12-05 | Telos Ghost Web Access - Annual Add on users (5 Pack) | $ 6,500.00 | 1 Year |
| TG-WA-12-10 | Telos Ghost Web Access - Annual Add on users (10 Pack) | $ 12,500.00 | 1 Year |
| TGWA-DYIP-12-00 | Exit Node Dynamic IP Change - annual service providing automatic exit node daily IP change.  Purchase of  TG-AENP-12-00-SN or TG-NA-12-00-2E is a pre-requisite.  AWS exit nodes only. | $ 3,524.00 | 1 Year |
| TSAM-L | Telos Secure Access Manager (TSAM) - Production < than 500,000 entries | $ 242,702.90 | 1 Year |
