NETCENTS-2 Network Operations (NetOps) & Infrastructure Solutions Small Business (SB) Contract Overview

Telos Corporation was chosen as one of seventeen awardees for the NetOps SB contract to provide network operations, infrastructure, core enterprise services and service-oriented architecture solutions to the United States Air Force and throughout the Department of Defense, to also include Command, Control, Communications, Computers, Intelligence, Surveillance, Reconnaissance (C4ISR) mission capabilities around the world.

The NetOps SB contract supports all Federal Agencies without restrictions and is centrally administered by AFPEO BES. The vehicle offers decentralized ordering through AFWay, allowing Contracting Officers to leverage their local processes for task order execution and management.

- **Contract Type:** ID/IQ
- **Period of Performance:** 3-year base period and four 1-year option periods
- **Ceiling:** \$5,790,000,000
- **Task Order Types:** FFP, LH, Cost Reimbursement, and Hybrid

Why Choose Team Telos?

A Proven Prime Contractor under the Original NETCENTS Contract

- Fulfilled more than 1,700 NETCENTS worldwide tasks orders
- Management processes and procedures tailored to NETCENTS-2
- Proven small business capable of multiple, concurrent, complex global task

Breadth and depth of partnerships

Team Telos is made up of more than 70 large and small companies, resulting in a combined engineering force of more than 50,000 engineers in over 1,000 locations around the world, including a field engineering force of 2,000 that serves more than 250,000 customers.

Experience with Air Force and related customers

Team Telos has worked closely with the Air Force and other defense and civilian agencies for many years. The U.S. Air Force, Air National Guard, and Air Force Reserve are all primary customers of Telos.

High-value, low-risk, cost-effective solutions

Task orders awarded to Telos under the original NETCENTS contract provided complete customer satisfaction despite rapidly evolving technological complexity, warfighting and operational urgency, and multiple, concurrent global engagements.

Industry certifications

Telos Corporation is certified to CMMI DEV v1.3 Maturity Level 3 and ISO 9001:2015; Team Telos includes partners who possess ISO 9001:2008 or ISO 20000 certifications, as well as partners that have been appraised at CMMI Level 2 (or higher).

NETCENTS-2 Contract Vehicles

The Network-Centric Solutions-2 (NETCENTS-2) set of five contract areas and seven total contract vehicles provide the Air Force with a primary source of netcentric and IT products, services, and solutions. Use of the NETCENTS-2 contracts (except ITPS) is mandatory for Air Force organizations and can be used by other DoD and Federal agencies.
